

# Machinery Drivers

Long & established family run company based in Essex that carry out a wide range of projects and works in many environments & surroundings. We operate a range of plant including excavators, trenchers & tractors.

We are currently recruiting for:

## Experienced Plant operators

Site operatives that have CPCS / NPORS tickets & ideally experienced in Civils, Drainage & Groundworks.

## Machinery Drivers

We are especially keen to recruit machinery drivers from Agricultural, forestry and Groundcare backgrounds that are experienced within their roles but do not necessarily hold tickets or certification. Operatives within other sectors that are wanting to gain experience on new plant & machinery welcome to apply.

## Educational Leavers (18+)

If you have an interest in Agriculture or Construction but do not have the experience or qualifications, then we would also like to hear from you. Full training can be given with machinery tickets & qualifications available for the right candidates.

Due to the nature of our works, all operators are required to carry out groundworks & manual handling when machinery driving is not required.

Full time, permanent work with competitive rates of pay including bonus. Transport to site provided.

### Qualities:

- Resilient to work outdoors in all weathers.
- Adaptable to undertake other works when required.
- Willing to gain experience and operate other plant & machinery.

### Requirements:

- 18+
- Full UK manual driving licence.
- Good standard of written & spoken English.

### Desirable:

- Be within a reasonable commuting distance to our head office location – Ongar, Essex.

## Applications via Facebook will not be accepted.

To apply for any of these roles please send a full C.V. to: [recruitment@hughpearl.co.uk](mailto:recruitment@hughpearl.co.uk) – Please reference the role being applied for.
